Winter Weather Reminders

Winter weather is quickly approaching! A few updates and reminders:

- ✓ Virginia Department of Transportation (VDOT) continues to be responsible for the majority of plowing in the neighborhood including Aging Oak Drive, Black Branch Parkway, Dinah Place, Gateshead Way, Indigo Place, Tess Drive, Nickman Way, Waxwing Drive and Wilderness Acres Circle.
- ✓ A new contract has been negotiated with Rock Water Farm to provide shoveling of common area sidewalks in addition to plowing for non-VDOT streets. See map for additional details.
- ✓ A friendly reminder that it is a Loudoun County Ordinance for homeowners and renters to clear all sidewalks in the front, or on the side, of their home.
- ✓ If there is a threat of inclement weather, please remember to clear all vehicles from the street so the plows can quickly and safely make their way through the neighborhood. Vehicles can be parked in the garage or driveway.
